How to Obtain Textbooks and Course Materials in Accessible Media

Students approved by the Accessibility Services Office (ASO) for Accessible Media Textbooks and/or Course Materials should complete the following steps each semester for which they are requesting accessible materials. Students must complete the “Accessible Book Request” form at least 3 weeks prior to the first day of the semester, in order to obtain textbooks in alternate format by the first day of class. Requests for accessible media textbooks may take up to 3 weeks, if not longer, so it is important to submit requests as soon as a course schedule has been established. Accessible media requests for course materials should be made as soon as possible, allowing 3-5 business days for processing.

How do I locate course textbooks and course materials, and submit an Accessible Media Textbook or Materials Request?

1. Locate course textbooks and course materials.
