Permission to Transfer Courses to Ohio Wesleyan University

TRANSFER CREDIT POLICY

Enrollment at another college or university will result in transfer credit at Ohio Wesleyan if the following guidelines are met:

1. The other institution must be accredited by a regional accrediting association.
2. Transfer credit will be determined as a ratio of the Ohio Wesleyan unit of credit. The faculty has determined that one unit of Ohio Wesleyan credit is equivalent to 3.70 semester hours or 5.55 quarter hours. Three semester hours will therefore transfer as .81 units, a two-semester hour course will transfer as .54 units, and a three quarter hour course will transfer as .55 units, as examples. To determine the amount of credit, divide the number of semester hours of a course taken elsewhere by 3.70 or the number of quarter hours of a course by 5.55. To meet a requirement the course must be worth at least .70 units.
3. The student's performance in the course must be satisfactory, C- or better, and the course must be consistent with a liberal arts approach. No credit toward graduation can be awarded for a course for which the student has previously attained graduation credit.
4. Any course taken for an academic major must have prior approval of the major department at Ohio Wesleyan.
5. When the course has been completed, the student must request that an official transcript be sent directly to the Ohio Wesleyan Registrar.
6. The grade from the transfer institution will not appear on the Ohio Wesleyan University transcript and will not be counted in the cumulative grade point average.

POLICY FOR OFF-CAMPUS STUDY

- University-Approved Programs – To participate in such programs, the student should make application through the Office of Off-Campus Programs. Credit for such programs is agreed upon prior to the student's enrollment in the program and is guaranteed if the student satisfactorily completes the work (C- or better).
- Individual Courses Off-Campus – any student who wishes to continue enrollment at Ohio Wesleyan but also take one or two courses at a different institution should contact the Registrar's Office for a petition. Such students may combine enrollments only if the course to be taken at another institution is not offered at Ohio Wesleyan and if the student's major department approves the courses in writing to the Registrar.
- Temporary Enrollment at Another Institution – Students may enroll in summer school programs at other colleges and universities and retain their active status at Ohio Wesleyan. If the student wishes to enroll full time at another college or university during the regular academic year, the student must petition the Academic Status Committee.

Students must complete the Permission to Transfer Credit Form and submit it to the Office of the Registrar prior to enrollment at another institution.

Return this completed form to the Office of the Registrar at registrar@owu.edu or University Hall Room 007.
