If you are not officially enrolled in the course, you must file a change-of-schedule card to add the course in the first seven class days of the semester and this credit/no entry form. The credit/no entry option may be selected by students for no more than four courses (two modules in the same department may be counted for one course) in the 34 units required for graduation. No more than one credit/no entry may be taken in any semester, and credit/no entry courses may not be taken in the major area of study nor in any courses to be used for the general requirements in English composition and foreign language or for the distribution requirements. Courses taken on a credit/no entry basis may be counted in the minor at the discretion of the department or program under which the minor is offered. Students must elect the credit/no entry option by the 7th class day in a semester, and approval of the academic advisor is required. The student will receive a regular letter grade in the course, and this grade will be converted to the credit/no entry notation. If the grade earned is C- or better, the student will receive a grade of S (credit) on the transcript. If the grade is lower than C-, no formal entry of the course will be made on the transcript. See the Credit / No Entry (CNE) section of the *Catalog* under Academic Regulations and Procedures for more details.
