The Stolen Fire.
Ever wonder what faculty do in their spare time? If you'll be in the area and are looking for something to do on Saturday evening, consider seeing this cover band perform. The Stolen Fire was formed in 2011, when guitarist John Stone-Mediatore (OWU Professor of Comparative Literature) and bass guitarist Mark Gingerich (OWU Professor of History) got together one Saturday afternoon for a causal jam session. They decided to start a band and invited drummer, Jim Franklin (OWU Professor of Politics and Government) and vocalist, Erin Flynn (OWU Professor of Philosophy), to join. This popular cover band plays the best rock and roll from the 60's through today and is a favorite among OWU students. **Roops Brothers, 17 North Union Street**
