TUITION EXCHANGE

Incoming Students (Imports)

2022-2023 Academic Year

Awards in the Tuition Exchange Program are made on a competitive basis. In order to be eligible for a scholarship, the student's parent institution should submit the necessary certification via the Tuition Exchange web site by mid-December in the year prior to the student's attendance. The application for admission should be completed as soon as possible. Starting the beginning of March, all applicants who have completed the admissions process, have filed their FAFSA and have been accepted to Ohio Wesleyan will be reviewed. Students will be selected primarily on the basis of their academic record. Verification of eligibility from the student's home institution is required before the Tuition Exchange application will be considered.

Ohio Wesleyan expects to award Tuition Exchange scholarships annually under the Tuition Exchange Program. General information as well as a listing of participating colleges and universities is available on the Tuition Exchange web site: www.tuitionexchange.org.

Students who enter Ohio Wesleyan University under the Tuition Exchange Program are eligible for the undergraduate programs governed by the following policies:

1. Students entering Ohio Wesleyan University under the Tuition Exchange Program may be granted tuition remission on a space available basis. Students must first meet all admission requirements and be accepted into the University.
2. The award is for full-time students, only covers tuition, and is limited to \$40,000 (for 2022-23) annually or \$20,000 per semester.
3. Ohio residents may qualify for the Ohio College Opportunity Grant (OCOG) and other tuition-specific outside grants which help with the cost of tuition. As a result, the Tuition Exchange award will be reduced by the amount of other tuition-specific financial aid, if the value of total grants exceeds the Ohio Wesleyan cost of attendance.
4. The student is required to complete the Free Application for Federal Student Aid (FAFSA). The student is responsible for all other charges (e.g. room, board, mandatory fees) not covered by the Tuition Exchange Program and other financial aid.
5. Off-campus and Study Abroad Programs are excluded from the Tuition Exchange Program
6. Tuition Exchange covers a maximum of eight (8) semesters of full-time attendance.
7. Ohio Wesleyan University reserves the right to limit the benefit to one Tuition Exchange scholarship per family, if there are other qualified candidates.
8. Students must maintain at least a 2.0 grade point average, remain enrolled for a minimum of 3.25 units of credit for the entire semester, and be certified annually by their home campus in order for the award to be renewed.
