COVID-19 Safety Precautions

- In order to ensure the safety of our staff, students and guests, temperatures will be taken before the start of the program through a touchless thermometer.

- Face coverings are required throughout your time on campus (including when outdoors). Thanks for your cooperation.

- To ensure safe physical distancing, seats in the Chappellear Drama Center will marked 6 feet apart from other families. We ask that guests sit in the same seats for the Welcome/Dates, Details and Deadlines session as they do for the panel presentations. Presenters will stand at least 10 feet away from the audience.

- Tour groups will be limited to two families with a maximum of seven people total (six guests and one tour guide). Groups should ensure physical distancing (at least 6-feet) throughout the campus tour.
