WELCOME AND INTRODUCTION

5:15 PM
CONCURRENT SESSIONS
The sessions listed below will be offered during all time slots and are available to everyone, except where noted. Students will be randomly assigned to a Group Discussion Time and that time (and Zoom link) will be sent via email a few days before the event.

SCHOLARSHIP COMPETITION GROUP DISCUSSIONS
Students Only - Think of this as your first college class (albeit virtually)! You will join other admitted students for a small group discussion, led by OWU faculty. Your assigned time (and Zoom link) will be sent to you via email a few days before the event.

OWU ALUMNI OUTCOMES PANEL
We invite you to learn from OWU alumni about how their undergraduate experiences influenced their careers and enriched their lives.

HONORS & SCHOLARS PROGRAM PANEL
Join this session to learn more about other special programs you qualify for because of your academic excellence. Directors from the Honors Program and Global Scholars Programs, along with current students, will describe the benefits of participating in these programs and share information about how to be considered for them.

OWU CONNECTION PANEL
Learn about the OWU Connection beyond its four key features - Think Big (research), Do Good (service), Go Global (travel), and Get Real (internships) and hear how these experiences inform, inspire, and shape students' lives at OWU and beyond.
