

Honorary Alumnus / Alumna

Helen Schubert

With affection and joy, we name Helen Schubert “Honorary Alumna” of Ohio Wesleyan University.

This act make “official” a close relationship between Helen and Ohio Wesleyan which began when she entered the OWU family through marriage to Leland Schubert, Class of 1930, in June, 1931, who describes her as “my wonderful sidekick for forty-nine years.”

Her ties to this University were continued and strengthened during the two year that Leland served on the English Department faculty and through the birth of one of their three sons in Delaware.

A native of Minnesota, and Phi Beta Kappa graduate of the University of Minnesota with a master’s degree from Cornell University, Helen has been a perceptive and consistent partner to Leland in support of Ohio Wesleyan.

We are proud of her devoted service to education and the arts in her Cleveland community, and grateful for her frequent presence on campus and at OWU alumni events.

It is a privilege to honor Helen Schubert and to welcome her to the ranks of Ohio Wesleyan alumni.
