6 Tips for a Successful Move-In Day

1. Check out this list to make sure you don’t forget anything important! But if you do, don’t worry! When you arrive, a list of convenient shopping locations will be available upon request.

2. Label all of your things with your name and room number so that we can ensure your luggage all makes it to the right place! Masking tape and Sharpie work wonderfully! Note: If you would like to ship boxes to campus so that they are here upon your arrival, you can send them to your campus address. You will receive an e-mail when your packages are delivered that will advise you when, where, and how to retrieve your packages.

3. Plan to arrive on campus between 8am and 2pm on August 20th. These directions and this map should help you find your way!

4. Once you arrive at your hall, the new student should go inside to check in with their RA. One family member and the keys must remain with the vehicle at all times. Orientation Leaders and Greek Movers will help you unload your car and take everything to your new room!

5. As soon as your car is empty, we ask that you or a family member move it to a parent/family parking lot. If you brought your own car to campus and will be keeping it here all year, we will show you where to park it as close to your residence hall as possible.

6. Once you’re all moved in, register for Orientation in Hamilton-Williams Campus Center. Registration runs from 10am-2pm. Then, you’ll meet with your Orientation Group at 3:30pm and your weekend of Orientation fun will begin! Check out the Schedule tab on the Orientation Website for more information!
