Mark has pitched throughout the U.S. in men's division fast pitch and has offered private instruction for female fastpitch athletes for over 20 years. His years of experience as a pitching coach at the collegiate level have given him an extraordinary advantage regarding what to teach and how to prepare our youth for college fastpitch and the classroom. He now has students playing college fastpitch throughout the U.S. He is involved with the development of area youth programs and has students travel from all corners of Ohio. He has a personal goal to someday have a pitcher represent the U.S. in the Olympics. He currently has several students with that potential.

Head Coach Cassie Cunningham

Cassie Cunningham took over the Ohio Wesleyan softball program in 2006 and has since continued the success of the program. She came to Ohio Wesleyan from Capital University, where she was an assistant coach for 6 seasons after graduating from Capital in 2000. The Battling Bishop softball team has competed in the NCAC tournament eleven of the last fourteen years, finishing in the top two within regular season, three times.
