

Alumni Award

Florence Altman Thomas

Class of 1942

Monnett Clubs have long been an integral part of the Ohio Wesleyan alumni program. The Cleveland Monnett Club has always been among the strongest and today we honor one of its finest presidents, Florence Altman Thomas '42. During the entirety of a two-year term, she provided outstanding leadership for this important group. Many of the Cleveland alumni fund campaigns were strengthened by her participation, and she worked actively in the recent Thrust campaign there. A proud member of the Centennial Class, Flossie has helped build its strength in various capacities. She had a major role in the remarkable success of their Silver Key Reunion in 1967.

Ohio Wesleyan is proud to honor this prototype of an Ohio Wesleyan alumna and present an Alumni Award to Florence Altman Thomas.
