

# Alumni Award

Nancy White White  
Class of 1954

It is a pleasure to present Ohio Wesleyan's Alumni Award to Nancy White White, Class of 1954, an alumna who has served in practically every volunteer capacity.

Active in the National Association of Monnett Clubs both in the Cincinnati area and as National President, she received the Monnett Award of Merit in 1977.

She has served the Alumni Board in a variety of ways: as representative for the National Monnett Association, chair of the Campus events Committee, Vice President and President of the Alumni Association. While the latter, she served on the Presidential Search Committee.

With her husband, Duncan, Class of 1954, she attends Summerweek, and this year participated in the first-ever Summerweek phonathon.

She is an indefatigable worker in identifying alumni for recognition and candidates for volunteer leadership.

Imaginative in the ways she serves, her alumni activities have included such diverse projects as sponsoring, with Duncan, a "Meet the President" alumni event in Cincinnati, working needle point pillows for the new alumni office, and always looking out for good locations and programs for alumni events in Cincinnati.

Nancy embodies the "perfect volunteer." Her reliability, energy and good nature have been inexhaustible in service of her Alma Mater.
